

15th Annual Edition!

TCA Members: Save 10% When You PRE-ORDER the 2010 Chiropractic Coding and Compliance Manual.

**The
Coding
Standard**

For the fifteenth year, the American Chiropractic Association brings you the most current information available to accurately code and report your services. In fact, this is the only publication of its kind written for doctors of chiropractic by doctors of chiropractic.

While we've changed the manual's name slightly (2010 Chiropractic Coding and Compliance Manual), you can always rely on it as "The Coding Standard."
