

KRISTEN WALKERWICZ, DC, FICPA

TCA Spring Seminar

April 1-2, 2017

Dr. Walkerwicz has been in practice for over 15 years. She received her Bachelor of Science in Biology at the University of Albany, New York, in 1994 and her Doctorate of Chiropractic at New York Chiropractic College in 1998. She is a member of the International Chiropractic Pediatric Association (ICPA), the National Vaccine Information Center (NVIC), the Nashville Birth Network (NBN), and the Tennessee Chiropractic Association (TCA). On several occasions, Dr. Walkerwicz has spoken for the TCA to help educate Chiropractic Therapy Assistants and X-Ray Technologists expand their knowledge in the field of chiropractic. Because of her active involvement with the TCA, Dr. Walkerwicz was awarded the prestigious honor as “Chiropractor of the Year” in 2010. Dr. Walkerwicz has a passion for chiropractic, which is noticed by her colleagues, patients, friends, and family. Along with her expertise in general chiropractic practices and techniques, she is certified in perinatal and pediatric care, including the Webster technique. In her free time, she enjoys traveling, listening to music, watching old movies, and reading. She is also a huge Nashville Predators hockey and Syracuse Orange basketball fan!
