

# DON COLE, DC, FICC

---

## **Southern Chiropractic Conference**

August 23-26, 2018

A native Memphian, Dr. Cole is a second generation chiropractor. He often comments, "I did not choose health care. It chose me".

Dr. Cole graduated in 1979 from Palmer College of Chiropractic, the premier college of the chiropractic profession. He holds both national and state board certifications.

Dr. Cole is a member of the American Chiropractic Association and the Tennessee Chiropractic Association. Dr. Cole has served in virtually every elected position of the Tennessee Chiropractic Association, including president. He is the only chiropractor in Tennessee to be awarded Chiropractor of the Year twice.

In 2004, Dr. Cole was awarded the highest accolade in the chiropractic profession, Fellow of the International College of Chiropractic (FICC).

Dr. Cole's focus is on spinal orthopedics with additional interest in nutrition and exercise rehabilitation. He believes that recovery is a co-operative venture between doctor and patient.

His patients refer to him as "Dr. Don".
