

RICHARD COLE, DC, DACNB, DAAPM, FICCN, FICC(H)

Southern Chiropractic Conference

August 23-26, 2018

Dr. Richard Cole is a national leader in chiropractic healthcare and has helped advance the practice of chiropractic with his standard-setting work in pain management and chiropractic neurology, as well as his efforts to encourage overall quality healthcare. He has been in full-time practice since 1978 when he graduated from Palmer College of Chiropractic. Dr. Cole is board certified by both the American Academy of Pain Management and the American Chiropractic Neurology Board. He is a Fellow of the International College of Chiropractors, current VP of the International Academy of Chiropractic Neurology, and a current Board of Chiropractic Examiners member. Dr. Cole holds active memberships in nearly a dozen professional and clinical organizations and is a published author and accomplished lecturer.
