## What does a TopGolf Tournament look like?

Each bay hosts a team of 6 golfers with all equipment provided for you there in the bay. A live team leaderboard is broadcast in all event bays, so you can watch your score, and other teams as well. Lunch will be served, and you can mingle with colleagues while playing. If your team finishes quickly, you can flip a switch and just have fun continuing to play until the end of the tournament. When teams have finished, we will convene for prizes to be awarded.

## Do I have to be a chiropractor to participate?

NO! Our golf tournament is open to anyone. Chiropractors, chiropractic staff, friends, relatives, patients...anyone who wants to enjoy an afternoon of golf is welcome to register for this tournament.

## How many people are on a team?

Each Topgolf bay accommodates a 6-person team. Don't have 6 people? Register as an individual or with a smaller team and we will match you up with other participants to round out the teams.

## I don't think I can participate because I don't know how to play golf.

TopGolf is a unique venue that is great for new players to give it a try. Since you stay in your bay, there's no chasing balls all over the place or worrying about having to retrieve a ball from thick brush. Plus, there will be a golf pro on site to give pointers and answer questions. Above all, it's a fun way to spend an afternoon supporting a great cause.

## What if the weather is bad that day?

TopGolf bays are fully covered, so rain isn't an issue and are equipped with heaters for cold days and misters & fans for when it's warm so you can golf in comfort whatever the weather.

## But November is football season, and I have tickets to the Titans.

We know how important football is in TN. That's why we planned the event for the Titans bye week. You won't have to miss a single snap of Titans football.

## I want to support the TNChiroFoundation, but I just can't make it to the golf tournament.

The golf tournament is our kick-off event for this year's fundraising campaign. Additionally, we will be accepting donations on our website for any amount, great or small. All donations received during this time will be part of the campaign and recognized accordingly. We will wrap up on December 2, Giving Tuesday.
