

TOOLS & TECHNIQUES FOR A SPORTS CHIROPRACTIC PRACTICE

[Kurt A. Juergens, DC, CCSP](#)

August 19, 2017

Dr. Juergens, having 28 years of experience treating athletes of all levels, will share tools that have helped him establish a successful sports chiropractic practice. You will learn the "DOs" and "DON'Ts" of building trusting relationships with other healthcare providers, why it is important to treat every patient as if they are an athlete, valuable tools on how to position yourself as a sports injury specialist in your community, and rehab protocols for common athletic injuries.
