

MISSION

What is our role?

The Tennessee Chiropractic Association promotes and protects the practice of chiropractic.

VISION

What are we working toward?

Advancing chiropractic as a fundamental choice in healthcare.

YOUR FUTURE... OUR PRIORITY

Together Setting Innovative Strategies into Action

GOALS

How do we proceed?

As we work in collaboration with our dedicated membership to reach our goals, the TCA Strategic Plan focuses and guides our collective efforts through 2025 and beyond.

PROTECT CHIROPRACTIC

Enhance and protect the profession through powerful government relations

BUILD COMMUNITY

Promote awareness of chiropractic through strategic outreach and public relations

PROSPER TOGETHER

Improve the bottom line of members through benefits, services, education and access to expertise

PERFORMANCE EXCELLENCE

Maintain a dynamic association through an engaged membership, leadership and resources

VALUES

What is important to us?

Patient Focused Care | Diversity | Integrity
Collaboration | Leadership
